

Invocation of Protection and Clearing With Sacred Geometry by
Asia Voight, (adapted from Gina E.)

Great Mother, Mother Earth, O
(make a circle with your hands)

Great Spirit, Δ
(draw two triangles in the air - one upright and then one upside
down over the first triangle - like the Star of David)

Holy Spirit, ()
(make a flame with your hands)

Christ Consciousness, †
(draw a cross in the air with both of your hands together)

I call upon you to come to me. I also call upon my angels,
spirit guides and animal helpers that walk in the light
with an interest in me.

Clear up and away from me any negativity, fear or beings. Send it
and them up and away to their next highest level of evolution.

(See, feel, or sense it/them leaving.
When you feel peaceful continue with...)

Heal and seal my energy field, fill it with the violet light
of Purification and Love

Sound OM, (then blow this intention to the energy around you
adding extra clarity and then say), And So It Is
